International ITN On Court Assessment Tennis Database

How to - For Assessors

This website has been developed to enable players of all ages and standards to be able to track and chart their own improvement and development in an objective manner.

Now for the very first time players will be able to see exactly what their strengths and weaknesses are in relation to the Official ITN On Court Assessment.

OK, so this is how it all works!

Step 1. [Register as an assessor on this website.](#) (Only registered assessors are able to enter assessment results in to this website). Please write down and remember your Player Profile Number and Password as you will need to enter these whenever you wish to enter Official ITN On Court Assessment results in to this website.

Step 2. Become familiar with how to conduct an Official ITN On Court Assessment by reading all the relevant information contained within this website. Make sure you view the Online Tutorials, [Assessors Frequently asked questions](#) as well as downloading the [Official ITN On Court Assessment Guide](#) and [Score Sheet](#).

Step 3. Conduct Official ITN On Court Assessments with all your current players. Please make sure the player or parent/guardian completes their details in a clear and readable format to save you time when you enter their results.

Step 4. Log in with your unique Player Profile Number and Password and enter your player's assessment results.

Step 5. After you have completed entering all your player's assessment results you must print out the player confirmation slips and deliver each player their own unique details.

Step 6. After your players receive their confirmation slips from you they will be able to log in and track and chart their own assessment results.

Your Assessor Home Page can be divided into 3 different sections.

The first section briefly describes the order in which you should complete your tasks.

Credits. On the right hand side you will see how many credits you currently have left in your account.

Each time you enter Official Assessment results 1 credit will be deducted from your account.

\$1.10 USD = 1 credit = 1 Assessment result.

You can purchase additional credits at any time.

Assessment for a new player

A new player is a player that does not yet have a Player Profile Number. (Please clarify when you are conducting Official ITN On Court Assessments if the player has completed a prior assessment. If the player already has a PPN you will need to record this number on the Official ITN On Court Assessment Score Sheet).

If this is the player's first Official ITN On Court Assessment you need to select the **Create new Player Profile** link directly under the New Player heading.

As you can see the Player's name, date of birth and sex has been automatically entered from the last screen.

However you must enter the Assessment date and venue before entering the scores for each shot.

To speed up data entry you can hit the Tab key on your keyboard to move to the next field after you enter each score.

Please Note: You are not required to enter any Sub Totals, Consistency or Section Totals scores at this time. The system will automatically calculate those for you.

The last field is where you enter the Mobility score.

After you have completed the Score Sheet you must click on the Submit button in the lower left of the screen.

Confirming the Assessment Scores.

This is a picture of the Assessment confirmation screen.

This screen is displayed so you can do a quick check of your data entry against the original score sheet.

You will notice that the Consistency, Errors, Sub Total and section Totals have all been automatically calculated and inserted in to the correct areas.

If you see any numbers that you accidentally entered incorrectly you can select the field by clicking in it and enter the correct figure.

If you do change any of the scores you must click on the Recalculate button.

At the bottom of the score sheet you will see the following fields.

- Strokes Total
- Mobility Score
- Total Score
- No. of Assessments
- New ITN Rating

When you are satisfied that all the scores are correct you can click on the Confirm button to enter the Assessment result in to the system.

New Assessment for an existing player

This is a picture of the Assessor Home Page.

To enter assessment results for an existing player you need to enter the player's Player Profile Number in to the Player Profile Number field.

The Player Profile Number field is located in the middle section of the screen in the New Assessment section under the Existing Player heading.

After you enter the player's Player Profile Number and click on the Submit button you will be taken to the Assessment Entry Screen.

As you can see the Player's name, date of birth and sex has been automatically entered for you.

However you must enter the Assessment date and venue before entering the scores for each shot.

If the Player's name, date of birth or sex are incorrect then you may have entered the player's Player Profile Number incorrectly.

Please click on the Assessor Home page link at the bottom of the screen to cancel this assessment and return to your assessor home page.

Generating Player Charts.

Assessors can print out their own players charts by selecting the player's name from the drop down field, then selecting the chart type by clicking on one of the radio buttons and clicking on the view button at the bottom of the chart type list.

This generates a chart for the selected player. Assessor can print the chart out and deliver it to the player along with the player's Login details.

This is an ideal way to show players what they can do after they Login.

Assessors can only view the charts of players that they have entered.

This concludes the Assessor Tutorial.
